

Call for the Special Session papers on
“Recent Trends in Mechanical Engineering & Inter-disciplinary
Research (RTMEIR)”
in the
International Conference
on
Innovative Research in Engineering and Science (IRES 2017)
16-17 June 2017
at
Asian Institute of Technology Conference Center
Bangkok THAILAND

Session Chair:

Dr. Deepak Chhabra

**Department of Mechanical Engineering,
University Institute of Engineering & Technology,
Maharshi Dayanand University Rohtak-124001 Haryana INDIA**

Topics of Interest:

We invite original (un-published) research contributions based on the above mentioned theme including following topics **but not limited to:**

- Automotive Engineering
- Aerodynamics and fluid mechanics Automation, Mechatronics, and Robotics
- Composites, ceramics and polymers processing
- Computational Mechanics
- CAD, CAM, FMS, CIM, CN
- Corrosion, Heat treatment, Microstructure and Refrigeration & Cryogenics Failure and fracture mechanics
- Friction, wear, tribology, and surface engineering
- Heating and ventilation air conditioning system
- Hydrostatic transmissions and pneumatics
- Industrial Engineering
- I.C. Engines, Turbomachinery and Alternative Fuels
- Machinability and formability of materials
- Mechanisms and machines
- Metrology and computer aided inspection
- Micro and Nanomechanics
- Modeling, simulation and optimization
- Multifunctional and smart materials
- Product design and development
- Rapid Manufacturing technologies and prototyping
- Renewable energies technology
- Solar Energy Technologies
- Solid mechanics and Structural mechanics
- Thermodynamics and heat transfer
- Traditional and non-traditional machining processes
- Vibration and acoustics

In addition to the above any other topic relevant to the theme shall be welcomed

Important Dates

Last Date of Paper Submission

20th April, 2017

Notification of Acceptance

30th April, 2017

Camera Ready Copy

5th May 2017

Registration

10th May 2017

Conference Date

16th -17th June 2017

Publication

All accepted and registered papers of this special session will be published in one of the following Scopus/Thomson Reuters Indexed/DOI Journal:

Middle East Journal of Scientific Research (SCOPUS Indexed)

International Journal of Computer Aided Engineering and Technology (SCOPUS Indexed)

International Journal of Control Theory and Applications (SCOPUS Indexed)

International Journal of Applied Business and Economic Research (SCOPUS Indexed)

International Journal of Economic Research (SCOPUS Indexed)

Journal of Engineering and Technological Sciences (SCOPUS Indexed)

International Journal of Advanced and Applied Sciences (Thomson Reuters Indexed)

Biological Forum-An International Journal (Thomson Reuters Indexed)

International Journal of Computer Science and Information Security (Thomson Reuters Indexed)

International Journal of Latest Trends in Engineering and Technology (DOI Indexed)

**Call for the Special Session papers on
"Recent Trends in Mechanical Engineering & Inter-disciplinary
Research (RTMEIR)"
in the
International Conference
on
Innovative Research in Engineering and Science (IRES 2017)
16-17 June 2017
at
Asian Institute of Technology Conference Center
Bangkok THAILAND**

Paper Submission Process:

1. The authors are requested to send original and unpublished paper in format available at conference website <http://iresconf.org/downloads.html>.
2. The submissions are handled only through the link given <http://iresconf.org/special-session.html>
3. One copy is also send to session chair email id with Subject Line '**Research Paper for Special Session(RTMEIR) in IRES-2017**' at deepaknit10@gmail.com
4. Final Acceptance will be send to author after peer review and plagiarism check.

Note:-Paper Submission Deadline: 20th April 2017. (Extended date can be seen on website) For any further queries related to this special session, please contact the session chairs at:

Dr. Deepak Chhabra, Ph.D

E-mail ID: deepaknit10@gmail.com
